- * For ships covered by the tonnage measurement interim scheme adopted by the IMO, the gross tonnage is that which is included in the REMARKS column of the International Tonnage Certificate (1969). See Article II(1)(c) of the Convention.
- ** "Shipowner" means the owner of the ship or another organization or person, such as the manager, agent or bareboat charterer, who has assumed the responsibility for the operation of the ship from the owner and who, on assuming such responsibility, has agreed to take over the duties and responsibilities imposed on shipowners in accordance with this Convention, regardless of whether any other organizations or persons fulfil certain of the duties or responsibilities on behalf of the shipowner. See article II(1)(i) of the Convention.
- (*) Full designation and address of the competent authority or recognized organization duly authorized under the provisions of the Convention
