

BREAK-BULK AND OUT-OF-GAUGE CARGO

BREAK-BULK AND OUT-OF-GAUGE CARGO

ANL offers tailor-made solutions for cargo that exceeds standard size containers (break-bulk, out-of-gauge, project and special cargo) with true global coverage.

Our team of dedicated professionals will supply reliable shipping solutions for a range of cargo, whether it be sensitive materials or heavy and bulky equipment to ensure total end-to-end support. ANL will provide expertise on how the optimum carriage can be achieved.

In 2018, ANL carried over 20,000 TEU of Breakbulk and Out-of-Gauge cargo, with projects moving on every one of our trade lanes.

Through ANL's extensive network of 755 agencies in over 160 countries, and relationship with numerous ports, terminal operators and suppliers, we can deliver a seamless and integrated one-stop-shop solution for your cargo anywhere in the world.

Benefits of transporting with ANL:

- Coordination of service is solely arranged and managed by ANL, ensuring customer visibility and successful execution of transport plan
- Direct services ensure minimal stevedoring handling
- Greater frequency and global coverage
- Modern container vessels which can carry up to 500T of break-bulk cargo
- Ability to forecast specific departure and arrival dates

What we can transport for you:

- Machinery
- Coils
- Yachts/Catamarans
- Factory Relocations
- Helicopters
- Transformers
- Wind Farm Propellers

Let ANL move your cargo across the region, the easiest way for you.
